

Genius Manager/Instructor

Help Guide

This guide is designed to assist instructors and managers with navigating the Genius platform. On Genius, both instructors and managers are categorized under the label “Affiliation.” This designation indicates that they serve as Affiliation Managers for your agency. Each agency is organized into “Affiliations.” Throughout this document, the term “Affiliation Manager” refers to either an instructor or a manager.

Switching Between Accounts:

When signing into Genius, it should take you to the “Affiliation Manager” dashboard. Below is how you switch between being an Affiliation Manager and a Learner.

Switching from Affiliation Manager to Learner

The screenshot shows the "Affiliation Manager - Dashboard" interface. On the left is a dark sidebar with a search bar and navigation links: Home, Dashboard, Edit Account, Message Center, Learners, Enrollments, Courses, Sections, and Management. The main content area has a search bar, a "History" link, and a user profile for "Wade Kadmas". A dropdown menu is open under the user profile, showing options: "Log in as:", "LEARNER", "INSTRUCTOR", "Message Center", "Account Settings", "Help", and "Sign out".

Step 1: Click on your name in the upper right corner.

Step 2: Click on “Learner.”

Switching from Learner to Affiliation

The screenshot shows the "Learner Account" dashboard for "Wade Kadmas". The top left corner has a user menu with options: "Affiliation Account", "Instructor Account", and "Sign out". The main content area is titled "Dashboard" and includes tabs for "Active Courses", "Pending Courses", and "Completed Courses". A course card for "NDHP Live Stream" is displayed, showing course dates (Mar 20, 2025 - Apr 25, 2025), grade (0%), instructor (Lt. Adrian Marti...), and a "Go to Course" button. A "Sync Data" button is in the top right corner.

Step 1: Click on your name in the upper left corner.

Step 2: Click on “Affiliation Account.”

Creating Sections (The NEW PFN 9 and PFN 10):

All POST-approved courses will be entered into Genius by ND POST. Affiliation Managers will only be able to create sections from the entered courses. All courses will be entered with your agency's name before the course (i.e., Fargo PD Handcuffing). There will no longer be a POST course number accompanying courses.

By clicking "Courses," you will be able to see all the courses assigned to your affiliation. By clicking "Sections," you will be able to see all sections assigned to your affiliation.

There are two ways to create sections under Affiliation Manager. You can add a section by going to "Courses" or "Sections" on your Affiliation Manager toolbar on the left side of the screen.

Adding a Section via "Courses"

- **Steps 1 and 2:** Click Courses → Click the Course you want to add a section

Course	Category	Status	LMS_ID	Affiliation	#Sections	ID
*Conference Credit Request	Training	ACTIVE		NDLETA	0	31
*Out of State Training Request	Training	ACTIVE		NDLETA	0	32
Auto Create Test Course	Training	ARCHIVED			2	20
EVOC	Training	ACTIVE		NDHP	1	4
Fargo POST Exam	Training	ACTIVE	LETA	Fargo POST Exam	1	27
Fargo Test Course	Training	ACTIVE		Fargo PD	1	28

Step 1: Click "Courses."

Step 2: Click the course that you need a section for.

Step 3: Click "Add Section."

Step 3: Click “Add Section.”

Auto Create Test Course sec. 1	ARCHIVED	Any	Lt. Adrian Martinez	
Auto Create Test Course sec. 2	ARCHIVED	Any	TBD TBD	

Important Note: If creating a section via “Courses,” the course name will auto-populate for you in the section creation page. However, if creating a section via “Sections,” you will have

to select the course under the drop-down menu when you are in the course section. This example is below.

Essential Terms and Considerations for Section Creation

- All items highlighted in **blue** are mandatory fields. The section will not save until all these items are completed.
- When selecting a course, the “Name” will be the course that populates on the student’s transcripts. It will generally assign a section number to it. For example, “EVOC sec. 2.” You can change the Name as you see fit. However, please leave the approved name in the “Name.” In this given example, please leave “EVOC.” You can add a date of the training (i.e., EVOC Aug 2025) or just leave the “sec. 2.”
- **Instructor:** You should select “Instructor, POST” for every section created.
- **Status:** Should be “Active.”
- **Affiliation:** This is not blue. **However, YOU MUST select your affiliation.** Failure to select your affiliation will result in you not seeing your created section. Once you start typing in your affiliation, you will see it in the drop-down menu. Click your agency name to have it enter the “Affiliation” field. If you fail to enter your affiliation, you will not see it in your sections. You will then need to contact POST for them to edit it.
- **Term:** Either “POST Approved Credit” or “Non-POST Approved Credit.” To get POST credit, you must select “POST Approved Credit.”
- **Cap:** This is how many students you want to have in your section. It auto-populates to “30.” However, if you need 200 students, you should put 200.
- **Start Date and End Date:** These fields are not required. However, if you use them because you have a multiple-day training, you must use both.
- **Duration (days):** This will auto-populate based on the use of the Start and End dates. This is not a required field.
- **Enroll By Date:** This is not a required field. However, if you are having your officers enroll themselves, you can set a date they must enroll by to receive credit.
- **Location:** This is not a required field. However, you can type a location in if you want to tell your officers where the training will be. For example, if you are hosting a defensive tactics training at a local gym, you can put “Planet Fitness” in the location.
- **Price:** Leave this blank.
- **Credits:** Credits will auto-populate to “1.” This is how many training hours you want to give your students. If your training is four hours long, put “4” in the credit box.
REMEMBER: Your course may be approved for 10 hours, but you can always do less; you just can’t do more. If you forget how many hours your course was approved for,

you can search this by going to “Courses.” After clicking on your course, you will see “Max POST Hours.” That is the max number of hours you can get credit for when teaching the course. Hours must be in hour increments only.

- **Attendance Measure:** Leave this blank.
- **Certificate:** Leave this blank. Every course will automatically come with a certificate once students are completed.
- **LMS:** **Please select “Use this LMS to Create a Section.”** This will avoid any confusion from your students.
- **LMS Course ID:** Leave this blank.
- **External Code:** Leave this blank.
- **External Link:** Leave this blank.
- **Delivery:** Leave this blank.
- **Competencies:** Leave this blank.
- **Completion Formula:** Leave this blank.
- **Highlighted:** Leave this blank.
- **Available for Registration:** If you select “Yes,” your students will be able to self-enroll as the course will appear on your affiliation learner’s dashboards. By selecting “No,” you would enroll your students as they would not have the option.
- **Enable Waiting List:** This is whether you need or want a waitlist. More often than not, you will select “No.”
- **Notes:** Leave this blank.
- **Delivery Method:** This indicates how the course will be delivered. The following options are as follows:
 - **Agency Face-to-Face:** Select this option if your agency is doing training in person.
 - **Agency Online:** Select this option if your training is online.
 - **LETA Face-to-Face:** Select this training if your training is in person and at the LETA.
 - **LETA Online:** Only the LETA will use this option.
- **POST Instructor Name:** Type the name of the POST Instructor that will be completing the training for your agency. This is the same person you would previously have put on a PFN 9.
- **Add a Meeting Time:** This option can be used to complete a day, time, and location where you want your officers to meet for the course. However, you can leave this blank too.
- **Save:** Ensure to hit “Save” after you have entered all your information for your training section.

Enrolling Learners:

After you create a section, you will have three options to enroll your learners in your training. The three options are self-enrollment, enrolling via “Bulk Action,” and enrolling via a CSV file.

- **Self-enrollment:** This allows your learners to self-enroll into your training. By making the registration available, learners can self-enroll from their own learner dashboard.
- **Bulk Action:** This allows instructors or managers to bulk enroll learners from their affiliation. This is useful when you are enrolling one or 1,000 users. You can enroll your entire agency efficiently by using this method.
- **Importing a CSV File:** This method allows you to enroll and complete users at the exact same time to get them training credit. This method can be quick but will require the knowledge of all learners' ND.gov user IDs. This is the only method you can use if you are cross-training with a learner from another agency. Otherwise, they will not get credit for attending your training.

Enrolling Users via “Bulk Action”

Click on “Learners” → Click “Bulks Actions” → Click “Get Data” → Select the users you want to enroll → Click “Bulk Enroll” → Select Course → Select Section → Click “Enroll.”

Important Notes: When wanting to enroll your entire agency, you can select the “Check All” button after hitting “Get Data.” You can then hit “Bulk Enroll” after all your students have a checkbox next to their name.

Step 1: Click “Get Data” for all your officers to appear:

There are 2211 learners matching your criteria:

Step 2: Use this to select all learners in your agency.

Get Data

1 - 2 / 2 (2) 25 1 Reset Export CSV Export Excel

☐ Check All

Select	Learner ID	Name	Username	Affiliation	Learning Path	Course	Status

Tips: To select quite a few students to bulk enroll, you can use the “Name Search.” A few things to remember when using this function: You can start typing in an officer’s first or last name, which will shorten the number of learners that appear. After you select the officer you want, you can delete their name in the “Name Search” and start entering the next name you need to select. Before you hit “Bulk Enroll,” ensure there are no letters in the “Name Search.” Failing to delete the letters in the “Name Search” box will only enroll the last learner you selected. By deleting all the letters or names in the box, it will enroll every officer you selected.

The screenshot shows a web interface for searching and selecting learners. At the top, there are navigation controls: a list of icons, a page indicator '1 - 4 / 4 (2211)', a dropdown menu set to '25', another dropdown set to '1', and buttons for 'Reset', 'Export CSV', and 'Export Excel'. Below this is a section titled 'Name Search' with a 'Check All' checkbox. The main area is a table with columns: 'Select', 'Learner ID', 'Name', 'Username', 'Affiliation', 'Learning Path', 'Course', and 'Status'. The 'Name' column has a search box containing the text 'martine'. An orange arrow points from the label '“Name Search” Box' to this search box. Below the table, there are more navigation controls: icons, '1 - 4 / 4 (2211)', a dropdown set to '25', a dropdown set to '1', and an 'Export Excel' button. A green arrow points from the label 'Box you select for the learner you want' to the checkbox in the first row of the table. To the right of the table is a blue button labeled 'Bulk Enroll'.

Verifying Enrolled Learners

Step 1: Click “Sections.”

Step 2a: There is a column on the “Sections Dashboard” where you can scroll over to and see the number of enrolled learners.

Step 2b: You can select the section itself and find out more detailed information (i.e., number of learners enrolled, learners' names, etc.).

The screenshot shows the 'Sections' dashboard interface. On the left is a dark sidebar with a search bar and navigation links: Home, Message Center, Learners, Enrollments, Courses, Sections (highlighted with an orange arrow), Add Section, and Management. The main content area is titled 'Sections' and features a table with columns: Section, Status, Affiliation, Instructors, Start Date, End Date, #Enrollments, Cap, and Credits. The table lists various training sections, including '2024 Critical Task Assessment', 'Body Worn Camera 101 sec. 1', and several 'Preliminary Oral Fluid Screening Device' sections. Annotations include: 'Step 1: Click “Sections.”' with an orange arrow pointing to the sidebar; 'Step 2b: Click on the section for more detail information' with a blue arrow pointing to a section row; and 'Step 2a: Tells you're the number of enrollments in the course.' with a green arrow pointing to the '#Enrollments' column header. A 'Customize Columns' button is visible in the top right.

Section	Status	Affiliation	Instructors	Start Date	End Date	#Enrollments	Cap	Credits

Completing Learners in a Section:

Completing learners in a section is indicating they have completed the training and should get full POST credit hours. You can do this by using “Bulk Actions” under “Enrollments,” editing the individual learner, or importing a CSV file.

- **Bulk Actions under Enrollments:** This feature allows you to complete one or more learners at a time. This feature allows you to give multiple students different completion dates. For example, this is a great tool to use when your entire agency has a training to complete, but you will be instructing different groups on different days. This way, all learners can be in the same section, but you can choose the different days they complete the training.
- **Editing Learner under Sections:** This allows you to complete an individual learner.

- **Importing a CSV:** This method allows you to enroll and complete users at the exact same time to get them training credit. This method can be quick but will require the knowledge of all learners' ND.gov user IDs. **This is the only method you can use if you are cross-training with a learner from another agency.** Otherwise, they will not get credit for attending your training.

Completing Learners via “Bulk Actions” under Enrollments

Step 1: Click “Enrollments.”

Step 2: Select “Bulk Actions.”

Step 3: Select Course.

Step 4: Select Section.

Step 5: Click “Get Data.”

The screenshot shows the 'Enrollments' page with a sidebar on the left and a main content area. The sidebar has a dark blue background with white text and icons. The main content area is white with various filters and a 'Get Data' button at the bottom.

Step 1: Click “Enrollments.” (An orange arrow points from the sidebar to the 'Enrollments' link in the top navigation bar.)

Step 2: Click “Bulk Actions.” (A green arrow points from the sidebar to the 'Bulk Actions' link in the top navigation bar.)

Steps 3-4: Select Course and Section (Two blue arrows point from the 'Course' and 'Section' dropdown menus to the text.)

Step 5: Click “Get Data.” (A purple arrow points from the 'Get Data' button to the text.)

The main content area includes the following filters:

- Affiliation (optional): Search for an affiliation (dropdown)
- Grade between: Select... and Select... (dropdowns)
- Category (optional): Select... (dropdown)

1 - 25 / 103 (103) 25 1

Step 6: Select your users to complete.

Step 7: Click “Bulk Edit.”

Steps 8 to 12: The “Edit MULTIPLE Enrollments” window will popup. Enter “100” in the “Current Grade → Input how many “Credits” (hours) the student earned → Enter a Start, End, and Exit Date → Change the “Status” to “Completed” → Click “Bulk Save.”

Important Note: The “Exit Date” must be entered for the learner to receive POST credit hours on their transcript. This is the date they completed the training. This is the tool where you can specify when certain groups completed the training if you taught the same training to your agency, but had multiple groups over multiple days (i.e., in-service training).

Completing Learners via Editing Learner under Sections

Steps 1 and 2: Click “Sections” → Select your section with the learner to complete.

Step 1: Click “Sections”

Step 2: Select the section with the learners you need to complete

Section	Status	Affiliation	Instructors	Start Date	End Date	#Enrollments	Cap	Credits
2024 Critical Task Assessment	ARCHIVED	Sworn	Lt. Adrian Martinez	09/01/2024	12/31/2024	154	30	1

Completing learners via a CSV File

Completing learners via a CSV file is unique as it allows you to enroll and complete learners simultaneously. This is also the only way to enroll and complete learners from other affiliations. This will be important if you are training officers from other agencies.

The CSV file will be issued to all agencies. Essential terms to remember when completing the CSV file:

- **Username:** This is the learner's ND.gov user ID. This can be found under the "Learners" tab by any Affiliation Manager.
- **Section:** This is the "ID" number for the section you are giving officers credit for. This can be found under the "Sections" tab.
- **Status:** This must say "Completed" if you want to enroll and complete simultaneously for credit. This is equivalent to submitting a PFN 9/10 in the past. However, you can put "Active" if you only want to enroll them into the section. When ready, you can change the status to "Completed" and re-import to complete the learners.
- **Start Date:** The start date of the course (i.e., 4/4/2025).
- **End Date:** The last day the course is offered (i.e., 4/4/2025).
- **Exit Date:** The day the learner completed the course (i.e., 4/4/2025).
- **Grade:** Put "100" for your learner to receive POST credit on their transcript.
- **Assignments:** Leave these columns blank.

Important Notes: All columns besides Assignments must be filled out to have the completion process completed properly. **A CSV file is not a typical Excel file (.xlsx file).** Therefore, when saving the CSV file, ensure you are saving it as a CSV (.csv) file.

If you make a mistake with one user after submitting, DO NOT upload the same CSV with every student again after correcting your error. Only import a CSV with the corrected individual. Failure to follow these instructions will result in duplication of training records.

Please keep the assignment columns clear.

ALWAYS keep a copy of your CSV for your records!!

Step 1: Complete your CSV.

Must put "100" for learners to get POST credit on their transcript

	A	B	C	D	E	F	G	H	I	J
1	Username	Section	Status	StartDate	EndDate	ExitDate	Grade	Assignme	AssignmentsCompleted	
2	amartine@nd.gov	205	Completed	4/4/2025	4/6/2025	4/5/2025	100			
3										

Learner's ND.gov

Section ID Number.

Completed: Will enroll and complete for credit simultaneously.

Active: Will only enroll the learner.

TIP: Do not input anything under assignments.

Step 2: Save your CSV file to your computer.

Steps 3, 4, 5, and 6: Click "Enrollments" → Click "Import CSV" → Click "Browse to find your CSV file" → Click "Upload" to upload your CSV file.

Step 3: Click "Enrollments."

Import CSV

Upload File

File

Step 2: Use the scroll bar to find "ID."

Dropping Learners from Training:

Dropping learners from training is very similar to completing them. Instead of changing the status to "Completed," you will change it to "Dropped." Dropping learners in a section indicates they voluntarily resigned from the training or they were dismissed from the training and should not get POST credit hours. You can do this by using "Bulk Actions" under "Enrollments" or by editing the individual learner.

- **Bulk Actions under Enrollments:** This feature allows you to drop one or more learners at a time. This feature allows you to give multiple students different dropout dates.
- **Editing Learner under Sections:** This allows you to drop an individual learner.

Important Note: Dropping a learner will come with a required “Reason.” You must choose a reason why the learner is being dropped. If you don’t feel like a given option fits the learner’s circumstance, select any option and put a comment in the box explaining the reason for dropping the learner. Options for dropping a student are:

- Agency Decision
- Course is not interesting
- Dismissed from Academy
- No longer employed by agency
- Scheduling conflicts
- Selected the wrong course
- Student decision
- Wrong student

Dropping Learners via “Bulk Actions” under Enrollments

Step 1: Click “Enrollments.”

Step 2: Select “Bulk Actions.”

Step 3: Select Course.

Step 4: Select Section.

Step 5: Click “Get Data.”

Step 1: Click "Enrollments."

Step 2: Click "Bulk Actions."

Steps 3-4: Select Course and Section

Step 5: Click "Get Data"

Steps 6 and 7: Select your users to drop → Click "Bulk Edit."

Step 6: Select your users to drop.

Step 7: Click "Bulk Edit."

☐	Smith, Tanner	NDHP Live Stream sec. 1	Lt. Adrian Martinez	03/20/2025	04/25/2025	0	14	0	18
☐	Skogen, Shawn	NDHP Live Stream sec. 1	Lt. Adrian Martinez	03/20/2025	04/25/2025	0	14	0	18

☒	Rothenberger, Shane	LETA Technical Crash Investigation sec. 1	Lt. Adrian Martinez	04/28/2025	05/02/2025	-25	0		19
☒	Schatz, Chelsey	NDHP Live Stream sec. 1	Lt. Adrian Martinez	03/20/2025	04/25/2025	0	14	0	18
☒	Roth, Troy	NDHP Live Stream sec. 1	Lt. Adrian Martinez	03/20/2025	04/25/2025	0	14	0	18

Steps 8 to 12: The “Edit MULTIPLE Enrollments” window will pop up. Leave “0” in the “Current Grade” → Change the “End Date” to the date the learner was dropped → Change the “Status” to “Dropped” → Select the “Reason” the learner is being dropped from the course → Click “Bulk Save.”

The screenshot shows the 'Edit MULTIPLE Enrollments' window overlaid on a table of learners. The window contains the following fields and annotations:

- Current Grade:** A text box containing '0'. An orange arrow points to it with the text: **Step 8:** Leave “Current Grade” as 0.
- Assignments Completed:** A text box containing '0'.
- Credits Earned:** A text box.
- Total Assignments:** A text box containing '0'.
- Start Date:** A date picker showing '03/20/2025'.
- End Date:** A date picker showing '04/25/2025'. A green arrow points to it with the text: **Step 9:** Change “End Date” to the date the learner was dropped from the course.
- Exit Date:** A date picker.
- Status:** A dropdown menu showing 'DROPPED'. A purple arrow points to it with the text: **Step 10:** Change the “Status” to “Dropped.”
- Reason:** A dropdown menu showing 'Student Decision'. A blue arrow points to it with the text: **Step 11:** Select the “Reason” the student is being dropped from the course.
- Comments:** A large text area.
- Buttons:** 'Bulk Save' and 'Cancel'. A blue arrow points to 'Bulk Save' with the text: **Step 12:** Click “Bulk Save.”

The background table lists learners with columns for Select, Learner, Section, Instructors, StartDate, EndDate, and Grad. The 'Learner' column includes names like Iorgeson, Rod; Tuhy, Craig; Sundby, Myles; Stewart, Trenton; Stern, Kyle; Steffen, Tyler; Smith, Tanner; Skogen, Shawn; Sova, Paul; Skogen, Andrew; Schatz, Chelsey; Roth, Troy; Rostvedt, Ethan; Savageau, Evan; Rost, Jeremy; and Davis, Ted.

Marking Learners “Unsuccessful” from Training:

Marking learners unsuccessful from training is very similar to completing or dropping them. Instead of changing the status to “Completed” or “Dropped,” you will change it to “Unsuccessful.” Unsuccessful learners in a section indicate the learner did not pass the training and should not get POST credit hours. You can do this by using “Bulk Actions” under “Enrollments” or by editing the individual learner.

Important Note: If your section has an “End Date” and you have not completed your learners before the end of that day, the system will automatically mark your learners as “Unsuccessful.” However, you can go back and edit the status via “Enrollment History.”

Marking Learners Unsuccessful via “Bulk Actions” under Enrollments

Step 1: Click “Enrollments.”

Step 2: Select “Bulk Actions.”

Step 3: Select Course.

Step 4: Select Section.

Step 5: Click “Get Data.”

Step 1: Click "Enrollments."

Step 2: Click "Bulk Actions."

Steps 3-4: Select Course and Section

Step 5: Click "Get Data"

Steps 6 and 7: Select your users to mark unsuccessful → Click "Bulk Edit."

Step 6: Select your users to mark "unsuccessful".

Step 7: Click "Bulk Edit."

Steps 8 to 11: The “Edit MULTIPLE Enrollments” window will pop up. Leave “0” in the “Current Grade” → Change the “End Date” to the date the learner was unsuccessful → Change the “Status” to “Unsuccessful” → Click “Save.”

Edit MULTIPLE Enrollments

Step 8: Click “Bulk Save.”

Submitting a New Course for POST Approval (PFN8):

Before instructing a course for POST credit, instructors or agencies must submit the course for approval to POST. New course submittals will be through the “New POST Course Submittal” course. The course can be found in the course catalog on your Learner Dashboard.

Once you have enrolled in the course, you will see 10 “New Training Program Applications.” Each application is for one class. You will be able to submit up to 10 new courses with one enrollment. The next application will not unlock until you have successfully completed the application before it.

Step 11: Click "Submit."

Step 12: Click “Course Curriculum Submission.”

Step 13: Click “View Instructions.”

TIP: The half moon indicates you started the requirement, but it is not complete. The ✓ indicates it is complete.

Step 12: Click “Course Curriculum Submission.”

The screenshot shows a web interface for course submissions. At the top, there's a navigation bar with links: Content, Calendar, Announcements, Discussions, Gradebook, Messages, Groups. Below this is a header for 'new Training Program Application #1' with a note: 'NOTE: THIS FORM MUST BE COMPLETED AND SUBMITTED FOR APPROVAL FIFTEEN (15) DAYS PRIOR TO THE PROGRAM BEING CONDUCTED.' The main content area lists several submission steps, each with a status icon (half moon or checkmark) and a 'No due date' label. The steps are: #1 Training Program Application, #1 Training Program Application Acknowledgement, #1 Course Curriculum Submission, #1 Curriculum Submission Acknowledgement, #1 PowerPoint/Presentation Material Submission, #1 PowerPoint/Presentation Material Submission Acknowledgement, #1 Additional Information Submission, and #1 Final Submission (Complete this to turn in course). An orange arrow points from the text 'Step 12: Click “Course Curriculum Submission.”’ to the '#1 Course Curriculum Submission' item. A green arrow points from the text 'TIP: The half moon indicates you started the requirement, but it is not complete. The ✓ indicates it is complete.' to the status icons of the first two items. On the right side, there's a sidebar titled 'Master_New POST Course Submittal' and '#1 Course Curriculum ...'. It includes navigation buttons 'Previous' and 'Next', a 'Details & Information' section with 'Assessment due date' (No due date) and 'Attempts' (Unlimited), and a 'Grading' section with 'Maximum points' (1 point) and 'Grade is based on the last attempt with a grade.' At the bottom right, there's a 'View instructions' button. A purple arrow points from the text 'Step 13: Click “View Instructions.”’ to this button.

Step 14: Submit your Curriculum. You can do this by copying and pasting the information into the text box or uploading a file.

Important Note: The course curriculum should include the following: the date and location of the course, title of the course, name of the person or agency preparing the training program, students, course objectives, terminal performance objectives, testing methods (if applicable), method of instruction, course content (detailed course outline for each subject covered), schedule of presentation, references and supporting materials, and information concerning the instructor's education and experience if the instructors have not been certified by the board.

+ CREDIT REQUEST

Request new Credit

There are no credits requested for this learner.

Step 1: Click "Request Credit."

Step 2: Click Request new Credit."

Step 3: Put the start date of the conference or training.

Step 4: Put the name of the conference or training.

Step 5: Describe the conference or training. You must indicate who approved you to get credit from your agency.

Step 6: Please select whether you are requesting credit for a conference or out-of-state training.

The screenshot shows a 'CREDIT REQUEST' form within a 'Learner Account' interface. The form has a title bar that says 'Fill all information below and submit for request your credits'. It contains several input fields: 'Activity Date (*)' with the value '05/02/2025', 'Course (*)' with the value '2025 IACP Annual Conference', and 'Description (*)' with the value 'Annual Conference held in Denver, CO. Approved by Captain Test.'. Below these is a dropdown menu for 'Equivalent Course (*)' which is currently open, showing options: 'Select...', '*Conference Credit Request' (highlighted in blue), '*Out of State Training Request', and 'DCAC A day in the life of a Child Protection Worker Duty Sidearm Qualification'. Colored arrows point from text boxes on the right to specific parts of the form: an orange arrow points to the 'Activity Date' field (Step 3), a green arrow points to the 'Course' field (Step 4), a purple arrow points to the 'Description' field (Step 5), and a red arrow points to the '*Conference Credit Request' option in the dropdown (Step 6).

Step 3: Put the start date of the conference or training.

Step 4: Put the name of the conference or training.

Step 5: Describe the conference or training. You must indicate who approved you to get credit from your agency.

Step 6: Please select whether you are requesting credit for a conference or out-of-state training.

Step 7: The “Requested Credits” are the number of hours you are requesting.

Important Note: The number of hours should reflect the number of hours you actively participated in the conference or training.

Step 8: Attach a document that proves you attended the conference or training. For example, this can be a curriculum, list of classes you attended, etc.

Step 9: Click “Request Credit” to submit your request to POST.

Fill all information below and submit for request your credits

Activity Date (*)
05/02/2025

Course (*)
2025 IACP Annual Conference

Description (*)
Annual Conference held in Denver, CO. Approved by Captain Test.

Equivalent Course (*)

Drop files here to upload

Request Credit Close

Step 7: The “Requested Credits” are the number of hours you are requesting.

Important Note: The number of hours should reflect the number of hours you actively participated in the conference or training.

Step 8: Attach a document that proves you attended the conference or training. For example, this can be a curriculum, list of classes you attended, etc.

Step 9: Click “Request Credit” to submit your request to POST.

After submitting your request, you will see a message that indicates it has been submitted to your affiliation manager. This request goes to POST and not your agency. If POST approves your request, the requested number of hours will appear on your transcript.

Step 10: Click “Request Credit” to check on the status of your request.

“Total Files” will show you the documents you attached for proof.

“Request Status” will show you the current status of your request.

Step 10: Click “Request Credit” to check on the status.

There is 1 credits requested for this learner:

Delete	Activity Date	Course Name	Description	Equivalent Course	Requested Credits	Request Date	Request Status	Total Files
	05/02/2025	Test Test	Approved by	*Out of State Training Request	42	05/05/2025	WAITING REVIEW	

Credit successfully requested!

If your request is denied, the status will say “Denied.” You may contact POST and ask why the request was denied. If your request is approved, you will see “Approved” in the status bar. The credits will also appear on your transcript.

The screenshot shows a 'Learner Account' for Jessica Linder. On the left is a sidebar with links to Dashboard, Message Center (1), Course Catalog, and Document Profile. The main area is titled 'CREDIT REQUEST' and includes a 'Request new Credit' button. Below this, a message states 'There is 1 credits requested for this learner:'. A table follows with the following data:

Delete	Activity Date	Course Name	Description	Equivalent Course	Requested Credits	Request Date	Request Status	Total Files
	05/02/2025	Test Test	Approved by The Master	*Out of State Training Request	42	05/05/2025	APPROVED	

The screenshot shows a 'LEARNER TRANSCRIPT' for Jessica Linder. It includes the Learner ID and Name, and the generation date/time: 5/5/2025 1:28:28 PM. Below this is a table with the following data:

	Date	CEUs
Test Test ()	05/02/2025	42.00
Total: 42		

Annual Qualifications

Step 1: Select your course of fire.

Step 2: Delete the “Sec #” in the course name and add “Annual Qualification and the Year.” For example, if your course of fire is “HQ1”, the new section name would be “HQ1 Annual Qualification 2025.”

Step 3: Complete the section creation as you would do for any other section.

Important Note: POST does not require the make or model of the handgun. This information is required to be kept by the agency. However, there are two areas where you can add this information to Genius if it is desired by your agency. This can be done in the “Note Section” when creating the section or by editing the learner after they complete the qualification. Adding the information in the section would mean that everyone in your

agency has the same handgun. You will edit the learner if officers carry and qualify with different handguns.

Step 8: This is where you can put the make, model, and caliber for the individual officer.

Remember: This is not required for POST.

Step 9: Click "Save."

Frequency Asked Questions:

Q: Do I still need to obtain students' POST numbers for training credits?

A: No. Students will need to provide you with their ND.gov user ID that is given to them by CJIS.

Q: Do I still need to use the PFN 9 and PFN 10?

A: No. The PFN 9 and PFN 10 have gone away with the new system. Creating a section in Genius is the new PFN 9 and PFN 10/10a.

Q: Do I still complete a PFN 8 if I want to get a course POST approved?

A: No. You can enroll in the course "New POST Course Submittal." This course can be found in the course catalog in your Genius Learner Dashboard.

Q: How do I enroll or complete users from other agencies?

A: You must import the "Enrollment CSV" to enroll or give credit hours to others outside of

your agency. You can contact POST for the “Enrollment CSV” if you do not have it. It is also available on the POST website.

Q: Do I need to create a new section before importing a CSV?

A: Yes. You must create the section before trying to import a CSV for training credit.

Q: Is there a way to enroll and complete learners' training simultaneously?

A: Yes. You must complete and import a CSV. However, your CSV must have “Completed” in the status column.

Q: How do I request training credit for a conference or out-of-state training?

A: You must go to your Genius Learner Dashboard. The “Request Credit” button will be on the left side of the screen. Remember, you must include the name of the course or conference, the hours you are requesting credit for, and who gave you approval to attend the training or conference from your agency.

Q: Must I submit my conference or out-of-state training before I leave for the training?

A: No. You will request the credit after you return from the training. However, the request must be submitted within 30 days of the training completion date.

Q: How many days do I have to submit training credits for my students after the training is completed?

A: You must submit your section completion within 30 days of the completion of the training.

Q: How many days do I need to complete the New POST Course Submittal?

A: You must complete the New POST Course Submittal 15 days prior to instructing the new course.

Q: Can I update my learners' information?

A: No. Any learner information must be updated by ND POST only.

Q: Where do I find my certificate for the training I completed?

A: Each course you complete will come with a certificate. The certificate can be found on your Genius Learner Dashboard. Click on “Completed Courses” → Click on the ellipsis (three vertical dots) for the section certificate you want → Click “Download Certificate.”

Q: Where do I find my training profile?

A: Your training profile can be found on your Genius Learner Dashboard. The “Print Transcript” button is located on the left panel of your learner dashboard.

Q: Where do I find my employee's training profile?

A: It will be in the Affiliation side of Genius. Click "Learners" → Click the learner you want to view → Click "Transcript" on the left panel of the learner's page.

Q: How do I get a new employee enrolled into Genius?

A: Once POST issues a limited license or receives your employee's paperwork, they will be entered into Genius under your affiliation. Agencies are unable to edit their employees themselves.

Q: I receive emails that says my instructor's email is NDPOST@nd.gov. Are these real emails?

A: Yes, it is a real email from Genius. However, it is important to note it is a fake email associated with the fake instructor, "Post Instructor." Therefore, students shall contact the actual instructor of the course and not email NDPOST@nd.gov.
